Income War Tax Forms Must be Filed Before March 31st

Like the fathers of the American Revolution, the free people of the north have dedicated their lives, their fortunes, and their sacred honor, to the cause which they espouse. The call upon the fortunes of the people of Canada is to take the form of a graduated tax on all incomes of \$1,500 and over, enjoyed by all unmarried persons, or widows or widowers without dependent children, and \$3,000 and over, enjoyed by all other persons, as well as by all corporations and joint stock companies.

The Department of Finance is now calling for the filing of the necessary forms, filled out as required, before the 31st of March. While penalties for failure to carry out the requirements of the act are provided, it is confidently expected that the people of Canada, jealous of their right to play a major role in the conflict, will respond to this latest call in the spirit of quiet patriotism.

False Impressions of R.F.C. Rules Is Corrected

Lieut. MacNamura, the officer in charge of recruiting for the Royal Flying Corps in this District, has written, asking us to correct the false impressions held by many men who come under the Military Service Act, that they must wait until they have been drafted into a Depot Battalion before they can make application to join the Royal Flying Corps.

On the contrary a man who is liable to draft should make application at once, in order that the necessary steps may be taken for immediate enlistment in the Royal Flying Corps.

Further information may be obtained from the nearest representative who is Mr. F. H. Adamson, Can. Bank, Kindersley.

Overheard on Oyen Street

Two little girls were discussing as to who owned Oyen.

"Well," said one little tot, "I think it belongs to God."

The second replied, "Well, if it does, then Mr. Alexander comes next!"

Very Obliging

A local constable charged a man with being drunk. The man immediately took him to the barracks to put the prisoner in the cage. When the official arrived he found the constable and prisoner having a convivial chat. When the official asked the reason for this unbecomingly hospitable. The constable replied, "The prisoner does not seem to want to go into the cage."

Grumbling at all Costs

We're never satisfied with our weather. "Nice and warm it's been lately," I remarked to a confirmed pessimist this week. "Oh," he grunted, "it's mild enough, but you could scarcely call it seasonable."

Window

Replace Your Buggy With a Ford

MORE than 100,000 Fords are owned by people in Canada in preference to the old horse-drawn buggy and other makes of cars.

Your neighbors, and farmers in every section of the Dominion are abandoning their old buggies—selling their driving horses and buying Fords.

Ford cars are utility cars. They are built to endure the strain of constant daily use over rough roads.

These are the tests every farmer gives his car. The Ford meets them in a satisfactory manner. It is the farmer's car, so why not replace your horse and buggy with a Ford?

Pure Bred Stock for Oyen District

R. Cates, one of the most prominent mixed farming men in our district has just made a valuable addition in his stock by the purchase of an imported registered six year old Clydesdale "Arrighibon" which he purchased from Ben Finlayson of Olds, Alta. Mr. Finlayson owned that famous horse "Edward Garnet" who cleaned the sweepstakes last season. "Arrighibon" won 1st at Stirling, Scotland and a two year old, and in the West has won prizes in all the summer fairs. At the fall show in Saskatoon he won 2nd to "Edward Garnet", in the same company of horses that had defeated him in the summer fair.

Messrs. Gibson Bros., the well known horse dealers here, have on exhibition one of the finest stallions ever brought into Oyen "Dunston" is the horses name, and is an imported pure-bred Clydesdale. This horse is a fine looking animal and a giant in size, weighing over a ton. Dunston has a splendid record, having won seven firsts and two sweepstakes in one season.
